‘Together Towards Excellence’

Our values are Kindness, Curiosity and Commitment.

St Werburgh's Primary School is a rights respecting school where we work together. We are a community that celebrates our diversity and includes everyone. Together we learn how to show each other **kindness** in all we do.

At St Werburgh's Primary School we love learning and aim for excellence.

We help everyone discover what they are passionate about by encouraging our whole school community to take pride in themselves, be **curious** about the world and aspire to make a difference.

At St Werburgh's Primary School we show **commitment** in all we do.

Together we learn how to be resilient and adaptable to reach our full potential.

To support our school values, we ask that...
